# Omik

**Libero da schemi rigidi e definiti Omik è caratterizzato da una base con forme cilindriche inclinate una sull'altra, che regalano una ricercata e dinamica armonia di volumi.**

Free of rigid and defined structures, Omik stands out for its base with cylindrical forms that lean upon each other to create a sophisticated and dynamic harmony of volumes.

Loin de tout modèle rigide et défini, Omik se distingue par un piètement composé de formes cylindriques inclinées l'une sur l'autre, qui créent une harmonie de volumes aussi sophistiquée que dynamique.

Omik setzt sich über den klassischen Formenkanon hinweg und besticht durch ein Gestell aus Zylinderelementen, die sich in einer eleganten, dynamischen Balance übereinander neigen.

Nero goffrato

Ottone spazzolato
