**Essenziale e sorprendente, il tavolo Raki si caratterizza per un'estetica monolitica accentuata da due elementi cilindrici in duplice finitura metallica o personalizzabili con la stessa superficie del top in ceramica grazie alla tecnologia ALL-OVER.**

Simple yet eye-catching, the Raki table is distinctive for its one-piece aesthetic which is accentuated by two cylindrical elements with double metal finish or customisable with the same surface as the ceramic top thanks to ALL-OVER technology.

Épurée et surprenante, la table Raki se distingue par une esthétique monolithique accentuée par deux éléments cylindriques à double finition métallique ou personnalisables avec la même surface que le plateau en céramique grâce à la technologie ALL-OVER.

Der minimalistische Tisch Raki überrascht durch einen monolithischen Look, der von zwei Zylinderelementen in zwei Metallfarben oder - dank der ALL-OVER Technologie - in der gleichen Optik wie die Tischplatte betont wird.
